COLLECTION

PEACE AND QUIET IN AN INSTANT

The Go Acoustic Pod range was designed to address two core issues relating to open plan environments. Firstly, the need for acoustic privacy and secondly, the need for internal rooms within the work space.

Each Pod is highly ergonomic and functional, packed with the latest technology when you need to stay connected.

PEACE IN A POD...

GO pods are a compact soundproof workspace with huge benefits;

Equipped with lighting and a ventilation system which is activated by a movement sensor, pods are fitted with AH Meyer Power sockets, RJ45 Data plugs and USB charging ensuring optimal power and connectivity.

Ideal for uninterrupted work, holding discussions, making important phone calls, and running teleconferences.
